CEO Educational Benchmarking

In recognition of your commitment
to continuous improvement through
participation in the
EBI Engineering Exit Assessment

The mission of Educational Benchmarking (EBI) is to provide assessment services that improve higher education professionals' ability to enhance the quality of the educational experience for college and university students around the world. Continuous improvement is driven by the appropriate use of high quality assessment information on the shortest possible assessment cycle. EBI will recognize institutions and programs who have demonstrated outstanding dedication and commitment to continuous improvement through annual participation in EBI Benchmarking Assessments.

Each year EBI will review participation patterns to identify the institutions and programs who have continued to participate on a regular basis in EBI Benchmarking Assessments.

I am pleased to inform you that this year, University of Toledo has qualified to receive the 2011 Educational Benchmarking Commitment to Excellence Award - Charter Institution, in recognition of annual participation in the EBI Engineering Exit Assessment for six or more years including the first year the assessment was available.

Congratulations for continuing to demonstrate your commitment to excellence.

Best Regards,
Joseph A. Pica, Ed.D.
