Tony Damon
CEO
SSOE Group

Tony Damon is CEO of SSOE Group, a full service architectural and engineering firm headquartered in Toledo. Tony's career at SSOE began in 1977 as a designer. Since that time he has served in many leadership positions, including Senior Vice President of the Industrial Facilities Division where he was responsible for multiple office locations and global Fortune 500 clients such as Honda, Toyota, Ford, Nissan, and General Motors.

In 2002, Tony became the 7th CEO of SSOE since the company's founding in 1948. Tony serves on the Board of Directors and is committed to the growth and success of the company. Today, under his direction, the firm has 23 offices including international locations in Mumbai, Shanghai, and Beijing. The 900-employee firm is the largest professional design firm in Northwest Ohio and is a recipient of the Governor's Excellence in Exporting Award and recognized by the Toledo Regional Growth Partnership with the "Partners In Progress" award. SSOE is a nationally recognized design firm serving the global commercial and industrial marketplaces.

Tony is a graduate of the University of Notre Dame and is a registered architect. He is a member of the American Institute of Architects and American Council of Engineering Companies. In the past, Tony served on the Toledo Chamber of Commerce Board of Trustees (2001-2006) and chaired the Chamber's "New Schools, New Neighborhoods" Coalition (NSNN) for four years (2004-2007).

Tony is a lifelong resident of NW Ohio. He and his wife, Laura, reside in North Baltimore and have two children Ben and Abbey.
