

E ECS New Graduate Student Orientation Events

The College of Graduate Studies (COGS) Graduate Student Orientation will be held on **Tuesday, August 18, 2009, during 8:30AM - 12:45PM in Nitschke Auditorium.** All new graduate students are requested to attend. Topics will include: campus resources, academic regulations, and professional development.

Ms. Tammy Oelkrug, Manager of Graduate Academic Affairs
(419) 530.5254 or tammy.oelkrug@utoledo.edu

The College of Engineering (COE) Fall 2009 Orientation for new graduate students will also be held on **Tuesday, August 18, 2009, during 1:00PM - 3:00PM.**

Dr. Mohamed Samir Hefzy, Associate Dean, COE
(419) 530.6086 or mhefzy@eng.utoledo.edu

The Electrical Engineering & Computer Science (EECS) Department New Graduate Student Orientation will be on **Wednesday, August 19, 2009, during 10:00AM – 12:30PM in the SSOE Seminar Room (NI 1027).** Topics will include: faculty/staff introductions, degree requirements, registration for Fall classes, TA assignments, etc.

Specific Agenda

- 1) Graduate Program Overview – Dr. Alam, Interim Chair & Graduate Program Director
- 2) M.S. and Ph.D. Program Requirements – Dr. Alam
- 3) Course Registration Details – Dr. Alam
- 4) Focus Group Presentations – Focus Group Leaders
- 5) Question/Answer Session

Please join in welcoming our new graduate students. Pizza and pop will be served.

Please note that there are **THREE (3) separate orientation events** for you to attend. The first is by The University of Toledo and the College of Graduate Studies, the second is by the College of Engineering and the third one is by the Electrical Engineering and Computer Science Department. While some information is likely to overlap, each session contains material specific to the needs of that area and *it is important that you attend all THREE events.*
