

**Toledo Society of Professional Engineers  
 Technical Society of Toledo  
 Annual Golf Outing  
 May 22, 2008 Giant Oak Golf Club**

**All Golfers and Non-Golfers**

The goal of the TSPE/TST golf committee is for all participants to have a great time golfing and to enjoy a relaxing dinner upon completion. To reach that goal, the committee is requesting that the maximum number of strokes allowed per hole be limited to eight (8). This will allow play to be completed quicker and everyone will enjoy the round of golf and be able to attend the dinner at approximately 3:30 PM.

**Date: 05/22/08**
